## alcohol-free

vegan-friendly & gluten-free.  
0% ABV.

## introducing an innovative alcohol-free product from benjamin bridge winery.

Piquette Zero is a lively and delicious alcohol-free wine-style beverage, offering a creative and unprecedented craft option to industrially dealcoholized wines that are so often stripped of their character. Not identical to wine, this new sensory experience is to be discovered for its own unique deliciousness.

Shipped by the case, 24 x 250ml.

## about benjamin bridge

Over two short decades, Benjamin Bridge has distinguished itself as Canada's premier sparkling wine house. In 1999, it all started as a labour of love with Nova Scotian entrepreneurs Gerry McConnell and the late Dara Gordon.

For over 20 years, we've pursued excellence along these beautiful, south-facing slopes, and believe Gerry and Dara's ethos of sustainability, community, and quality is embodied in each and every bottle.
