WHY BUY BULWARK NON-ALCOHOLIC CRAFT CIDERS?

Cider begins and ends with the apple. Our quality fruits from the Annapolis Valley are juiced on site and slowly fermented, resulting in a natural cider that's never made from concentrate.

Our non-alcoholic ciders are shelf-stable and contain half the sugar of a soft drink! We pride ourselves on products that tastes just like the real thing. Our ciders are gluten-free, vegan and HACCP certified, made with care to have the perfect balance of acidity, sweetness and tannins.
