## Natural Products EXPO EAST ${ }^{\circ}$

## Summary

Food and Beverage Atlantic has secured an 800 sq ft booth space at the Natural Products Expo East in Philadelphia this coming September 20-23, 2023. It will be used as a shared booth space housing up to 8 Atlantic Canadian companies. Recruitment is now underway for co-exhibitors within the pavilion. A Walker Program will also be made available to companies who are not ready to exhibit but who want to attend the show as an educational and exploratory activity. The goals of the mission are to showcase and promote the high-quality food and beverage products from Atlantic Canada, to increase export opportunities for Atlantic Canadian companies, and to increase the number of Atlantic Canadian companies exporting outside the Atlantic Provinces.

## Project Description

Food and Beverage Atlantic, working jointly with the provinces of New Brunswick, Nova Scotia, Newfoundland and Labrador and Prince Edward Island, is seeking Consultant Services to help prepare and support its Pavilion exhibitors prior to, during and following the Natural Products Expo East

## Project Scope

The selected Consultant will be considered part of the execution team for NPEE. This may require additional collaboration as needed with the Show organizers and the participating companies as needed to ensure a successful show. We are looking for a Team Player.

The selected Consultant will be responsible for the following:
$\checkmark$ Prior to the show:

- One-on-one consultations with each of the exhibitor participants to understand target market and objectives for attending NPEE
- 1 hour webinar with all participants (exhibitors and walkers) to share tools to get the most out of attending NPEE
$\checkmark$ At the show:
- On site consultations as needed with participants to field questions as they arise over the 3 days of the show
- Opportunity to walk the show with consultant (available to exhibitors and walkers)
