

100% Natural from Catch to Capsule. Reactivate Your Life.

ABOUT BÊCHE CANADA

Fifteen years of research have been invested in the development of a proprietary process that produces a powerful, concentrated source of Sea Cucumber in each capsule of Bêche. This unique method retains the maximum amount of bioactive nutrients and compounds, so your body gets the full nutrient value of the Sea Cucumber.

Bêche is truly like no other product on Earth.

PRODUCT INFO

Minimum order quantity 1 case. 10 days turnaround time with payment on delivery. Our all-natural sea cucumber powder contains the following bioactive compounds:

- Saponins (Fronodoside A)
- Fucosylated chondroitin sulfate
- Amino acids
- Omegas (3, 6 & 7)
- Carotenoids
- Marine collagen
- Proteins
- Phenolics

Our processing methods have allowed us to create a pure sea cucumber powder that retains the sea cucumber bioactive compounds and that maintains its hygroscopic nature meaning that it is highly absorbable. Within a few weeks, you will be able to feel the benefits of our sea cucumbers which include:

- Immune System Support
- Energy Support
- Muscle Protein Synthesis
- Better sleep
- Reduction in inflammation
